// BIB NUMBERS/TAGS

Timing for the 2018 Marathon will be done by Chrono Track Systems. For further details visit them at www.chronotrack.com

The ChronoTrack B-Tag is a disposable UHF RFID tag that stays mounted on the runner’s bib, requiring no additional application by the athlete. Just pin your bib number on your clothing and go. B-Tags are recyclable or landfill safe, and they do not require post-race collection.

All bib numbers with B-Tags must be picked up at the following times and locations with a picture I.D.:

- **Friday, October 5**, 9:00 a.m. – 9:00 p.m., Expo (Dixie Center) - 1835 So. Convention Center Dr.
- **Saturday, October 6**, 4:00 a.m. – 5:20 a.m., Recreation Center, 285 So. 400 E (bus loading area).
Please have your picture I.D. ready to show when picking up your bib number. Runners must pick up their own bib numbers.

Runner Bibs Must:

- be pinned to the front of runner’s singlet;
- be displayed to board the bus; each runner will be checked for a bib number;
- be worn to receive an official finishing position/time;
- have sponsor/race name showing at all times;

Bib numbers are NON-transferable. The selling and/or giving away of a St. George Marathon bib number is not allowed and will result in disqualification of both the original bib owner and the runner using the bib number. Both runners will be prohibited from participation in the St. George Marathon for a minimum of two years.

// RULES OF COMPETITION

The St. George Marathon is organized and conducted under USA Track & Field rules and regulations.

1. The St. George Marathon reserves the right to remove a runner from the course if, in our judgement, it is possible that serious or fatal injury could result from continued participation [please remember the 6-hour time limit]. Please exercise wisdom in your participation. See Time Standard.

2. ABSOLUTELY NO PERSONAL SUPPORT VEHICLES, BABY STROLLERS, AUTOS, BICYCLES, ROLLER BLADES/SKATES, MOTORCYCLES, ETC., WILL BE ALLOWED ON THE COURSE. Runners accepting aid from personal support may be disqualified. Bicycles are not allowed on the course.

3. Non-registered participant pacing is PROHIBITED and may result in disqualification.

// SEEDING

All bib numbers are preassigned and colored according to anticipated finish time. In order to ensure a safe and orderly start, all runners must line up in designated areas according to runner bib number and color. Watch for signs and volunteers who will assist you. For elite runner qualifications, visit stgeorgemarathon.com/registration/eliteregistration

// SPECTATORS

There are a few areas for viewing the race between the start and the City limits. There are also bleachers at the finish line and many places to watch from Mile 23 to the finish line. For details visit stgeorgemarathon.com/info/spectatorinformation

// START TIME

Runners will start at 6:45 A.M.; wheelchairs and hand-cranks will start at 6:40 A.M. Please remember that Utah is on Mountain Daylight Savings Time — Mesquite and Las Vegas are not.

// TIMING

The first ten places, male and female, will be determined by gun time [regular timing]. All other awards will be determined by using B-Tag time. Gun time records elapsed time from the sound of the gun to the race finish line. Chrono Track timing records real time from starting line to finish line. The major advantage is that each runner is clocked on their actual time to run the distance, minus the time spent getting to the starting line. Those running to qualify for the Boston Marathon will use the B-Tag time. Timing will be done by Chrono Track. www.chronotrack.com
// TIME STANDARD / CUT OFF TIME

The official St. George Marathon Time Standard and cut off time is as follows: All runners must have reached the corner of Snow Canyon Parkway and S.R. 18 (Bluff Street), a distance of 23.1 miles, by 1:00 p.m., this is 6 hours 15 minutes race time, and can be accomplished by a 16:13:00/mile pace. Runners who do not meet this time standard will be required to leave the course, will not be allowed to finish the marathon (DNF), and will be transported to the finish by bus. This is a non-negotiable rule that will be strictly enforced by race officials and Public Safety personnel who have your safety in mind.

Additionally, the St. George Marathon reserves the right to remove a runner from the course if, in our judgment, it is possible that serious or fatal injury could result from continued participation.
