Dear Participants, Volunteers, Sponsors, and Friends:

We want to thank you for your participation in the 45th annual St. George Marathon and first St. George Mini Marathon! A special thank you also, for allowing us to help you as you set out to accomplish your 2021 race goals after a hard year without being together.

This year's winners are Aaron J Metler from St. George, Utah at 2:17:01 and Kodi Kleven from Lehi, UT at a new course record of 2:32:45. Our Mini Marathon winners were John Damen from Moraga, CA with a new course time of 1:09:42 and Tawny Bybee from Alpine, UT with a new course time for 1:14:14. Our Full Marathon Masters winners are Riley Cook from South Weber, Utah at 2:18:23 and Ashley Paulson from Mendon, Utah at 2:39:23.

We had 2 new records set this year for our Full Marathon Course and 2 new course records ever for our Mini Marathon:

- Ray Workman from Washington, UT at 3:23:59 for Men's 70-74;
- Kodi Kleven from Lehi, UT at 2:32:45 for Overall Women's and Women's 25-29;
- John Damen from Moraga, CA at 1:09:42 for Mini Marathon Overall Men's; and
- Tawny Bybee from Alpine, UT at 1:14:14 for Mini Marathon Overall Women's.

Fifty-Six (56) family members were inducted into our Ten Year Club this year making the club more than 1,643 members strong! We also inducted twenty-six (26) members into our 20-Year Club and four (4) members into our 30-Year Club this year and one (1) great member into our 40-Year Club.

We would like to thank our community partners, sponsors and our dedicated staff for all the support and hard work they put in to making the St. George Marathon and Mini Marathon one of the best marathon events in the nation. This means a lot to our community to be able to hold an event of this magnitude and showcase the natural beauty St. George and its surrounding areas has to offer its residents and visitors.

We hope to see you in 2022 as we celebrate 46 years of running and experiences that last a lifetime.

Sincerely,

A handwritten signature in cursive script that reads "Michelle Graves".

OVERALL MALE AARON J METLER

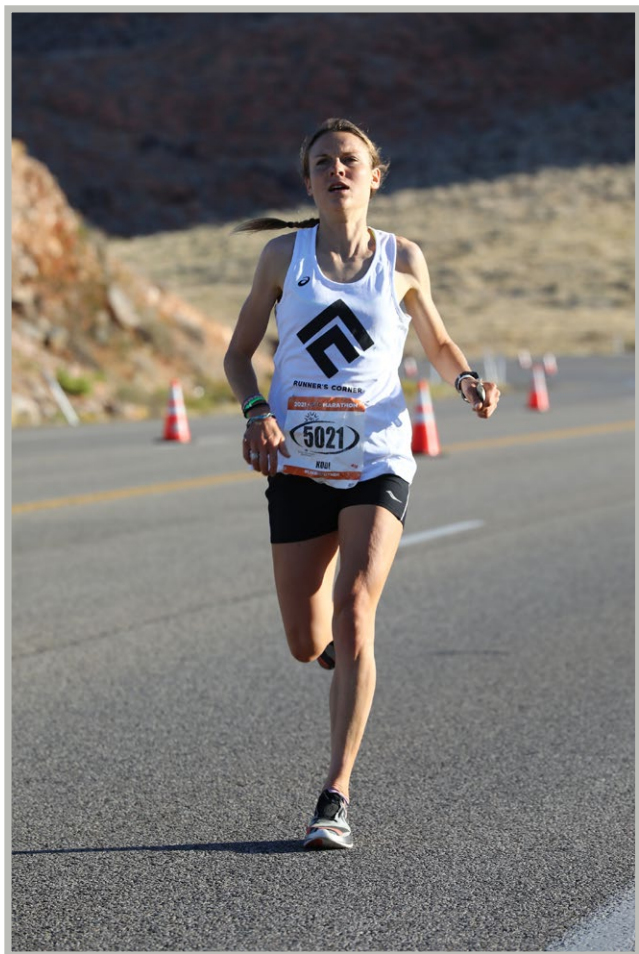

Michigan native and Utah transplant, Aaron Metler, once again achieved success at the 2021 St. George Marathon. This was his fourth win at the event in the Overall Male category and his personal best of 2:17:01. Not only did he win overall this year, Aaron's finished his tenth year running the St George Marathon and was inducted into the Ten Year Club.

Although a long time runner and founder of the University of Michigan running club, Metler did not start after the marathon distance until taking a position with the City of St. George Recreation Department in 2008. With one foot in marathon administration, as well as in the running community, he says the first Saturday in October is a pinnacle for the staff as much as the runners with everyone pitching in no matter what their 'day job' is, especially adding in the new Mini Marathon.

"It was the community's passion for this race that motivated me. To see how this city is invested in a great marathon and its pride in making it the best, you just feel left out if you're not a part of it."

OVERALL FEMALE KODI KLEVEN

Joining us from the mountain area of Lehi, Utah, Kodi Kleven set the new women's course record of 2:32:45 with her very first marathon! After running pretty much her whole life and competing in high school and running at BYU for four years prior, she suffered injury after injury and had some health problems so she never got the opportunity to run a marathon, until this year. She has always enjoyed the passion for running and felt like this year, 2021, would be a great year to try when she felt health and strong. "And I wanted to do it in St. George because this one is probably the most exciting in Utah."

"It's incredible what the human body can do, and it's incredible what support does. It's all because of my family. It's all because of my friends. It's all because of the support and love that's kept me going and feeling that hope inside myself." Although she felt as though her legs were done after mile nineteen, she just keep pushing and going till she broke the record crossing the finish line!

MASTERS MALE RILEY COOK

Riley Cook of South Weber, Utah took his place this year as the Male Master's winner for the Full St George Marathon, after winning the Overall Male title in 2016. Cook and Metler were together for the first eight miles of this race battling side by side, but Cook mentioned to us that this race in 2021 was definitely a struggle mentally. Despite any of his struggles though, he came in second place overall with a time of 2:18:23.

We are grateful to have Riley back for his eight year here at the St George Marathon and hope to see him continue his strong pattern placing first many times in age divisions, with this being his first win for the Master's division.

MASTERS FEMALE ASHLEY PAULSON

Ashley Paulson, joining us from Mendon, Utah took the podium as the Women's Master's Winner this year with a time of 2:39:23, which was also a new personal best for her! She is also a veteran here with the St George Marathon as part of our Ten Year Club, but this is her first year taking the title of the St George Master's Female Winner.

"It's hands down my favorite race," she said. "When it was taken away from us last year, you just can't help but savor every second of it now. You don't know what you have until it's gone, right? That is so true. Savor it, and don't take it for granted." As Ashley continues her running career in many other ventures, we enjoyed having her along our course and wish her the best as she continues to compete.

MINI MARATHON OVERALL MALE

JOHN DAMEN

Lead by the lights of the lead vehicle, Moraga California resident, John Damen took our new Mini Marathon course with speed this year being the first St George Mini Marathon Finisher in its history. He came in with the time of 1:09:42. John has completed this course two other times in 2017 and 2018 as a full marathon competitor so his experience with the second half of the course was strong.

"I have completed the full marathon twice and now the half marathon once and it still is far and away my favorite race!"

MINI MARATHON OVERALL FEMALE

TAWNY BYBEE

As our first female to win the St George Mini Marathon, Tawny Bybee from Alpine Utah took the course with speed through the dark finishing with the sunrise at 1:14:14. She has also ran our full course three times prior to taking the Mini Marathon course for the first time this year. Her current stride and speed set a great pace for this year's race despite it being a new experience.

"This year race was so fun! I loved it!"
